

Response to "current" automobiles

From "three" perspectives, the media have covered automobile news in the world for 18 years

Products <=> Automobile magazines

New model automobiles/motor shows Automotive navigation/telematics services& content Motor sports

Society <=> General and evening newspapers

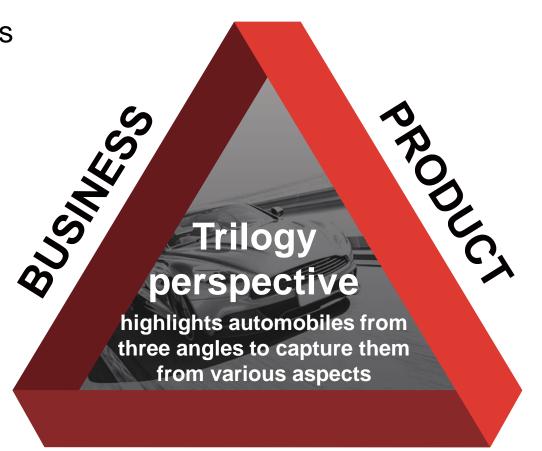

Incidents/accidents

Politics/administration/environment

Handles public hot topics from an automotive aspect

Business <=> Economic and industry journals

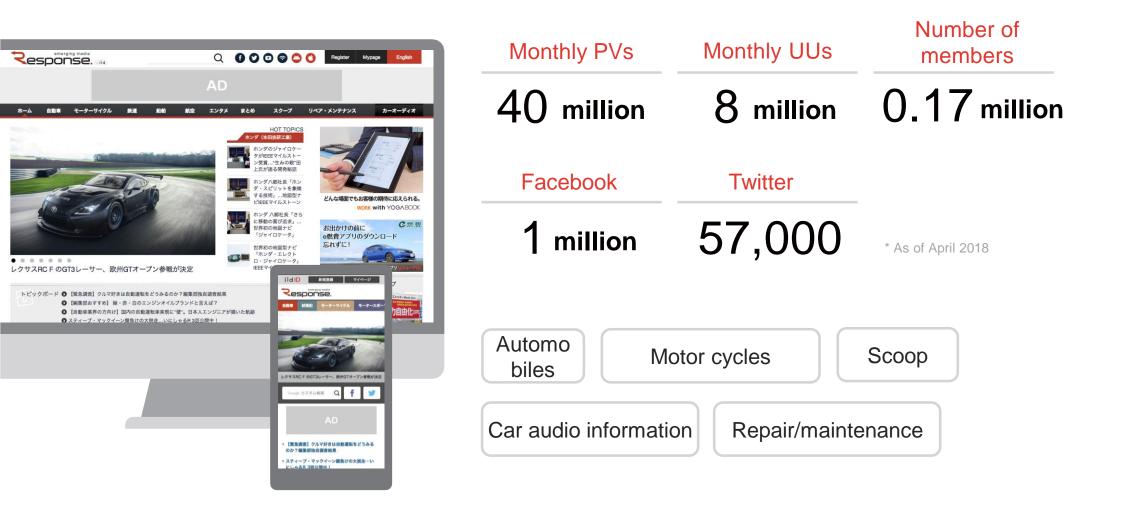

Trend for automobile-related companies Trend for new and used automobile markets

SOCIETY

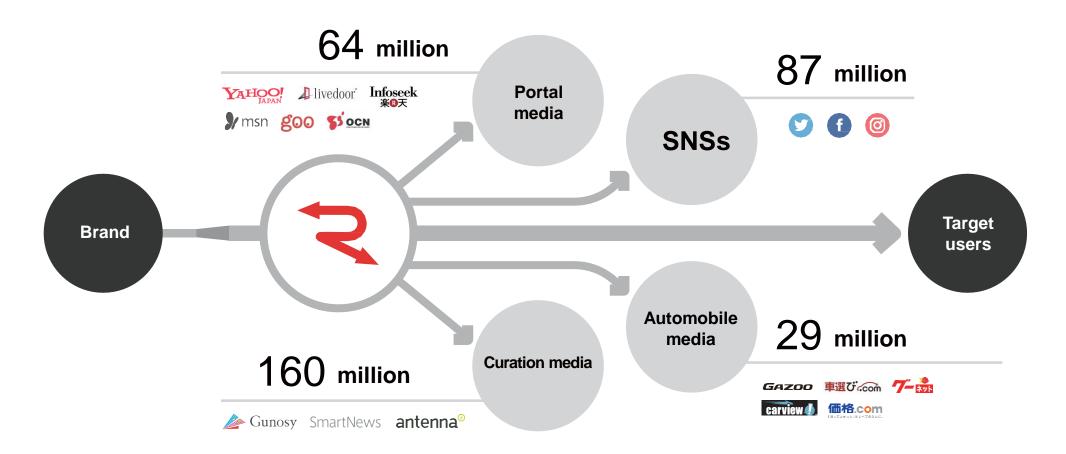

Response

Response is an expert news website specialized in automobiles.

Response's ability to reach target users

Articles have been spread widely beyond the boundaries of media.

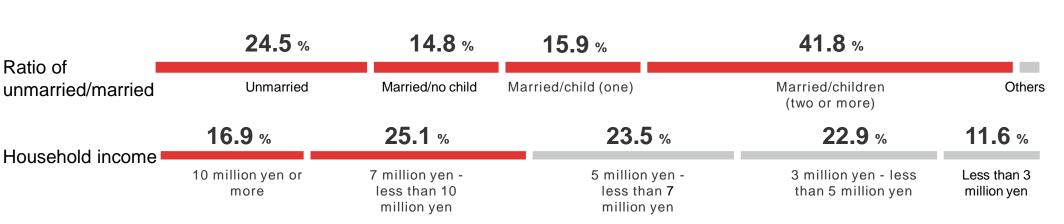

Articles posted are spread widely through Response official SNSs, media as external distribution destinations, curation media and others. In addition to exposure within media, you can generate communication points with many users.

User attributes

The media are attracting attention of the male users in their 30s-50s who love automobiles. 65+ 18-24 5% 7% 25-34 55-64 19% 12% About 98%

45-54

29%

Male

The ratio of the users with two or more children is 41.8%, showing the fact that many of them have many family members. Therefore, articles related to "family cars" have been read frequently.

60%

Late 30s - early 50s

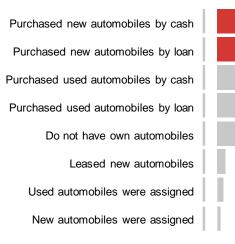

35-44

28%

User characteristics

Those who bought new automobiles 74%

[Automobile purchase form] The total of the respondents who answered they bought new automobiles exceeds 70%. More than 40% of the respondents answered they purchased new automobiles by cash. This percentage is high.

Those who plan to buy automobiles within three years

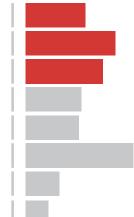

Those who own two or more automobiles

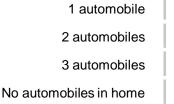

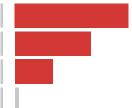

[Automobile purchase period] About 50% of the respondents plan to buy automobiles within three years. 12% of the respondents plan to buy automobiles within one year. This suggests that many users consider buying automobiles.

Less than 1 year 1 year – less than 2 years 2 year – less than 3 years 3 year – less than 4 years 4 year – less than 5 years 5 year – less than 10 years 10 years or more No plans to buy automobiles

48.2% of the respondents own two or more automobiles. About half of them hold more than one automobiles. This level is high. In combination of household income data, it is suggested that they are rich and need automobiles.

User persona

The website is viewed by the general users in their 30s - 50s who are interested in automobiles.

Native Advertising

20

An advertorial advertisement appeals readers more naturally!

[Production flow]

- 1. Based on your request, the editorial desk writes an advertorial material.
- The desk asks you to check the content of the material.
- After proofreading, the advertisement is published in the same format as that of normal articles.
- 4. After publication, the advertisement is archived and retained in the same way as normal articles.

Tie-up plans from an unique perspective of Response are received well.

This is a menu by which you can use your content for approach to potential customers beyond boundaries of media.

This is the pay-per-click type menu* navigating only the readers who are interested in your content from over 10 diversified media.

Points

 $\hfill \bigcirc$ We create the effective headlines which really hit potential customers.

O Beyond media, the platform can deliver information to interested readers.

◎ We induce the excellent users* with high rates of time on page/scroll depth. (* researched by our Google Analytics)

An advertisement is placed on "noteworthy articles" directly underneath an article page.

* Placement media/areas are allocated by a system automatically and optimally.

* Your company can not designate placement media and areas.

* This is an effective system which increases a ratio for displaying advertisements on high CTR media.

Submission guidelines

Flow until starting placement

Read before you apply for placing an advertisement

•Before you apply for placing an advertisement, you must inquire to check whether or not your advertisement on products/services will be able to be placed.

•We respond to your inquiry only by the word "possible" or "impossible."

* Please note that we will not answer the reasons why you are able/unable to place an advertisement.

•Our company accepts your application and submission formally when sending receipt e-mails. Please note in advance that no affairs will be handled if our company has not sent receipt e-mails.

•We keep a vacant advertisement space temporarily for five business days after your request. If we are not notified during the period, the space is released automatically.

·All communications are done by e-mail from your application to submission.

•After submission, we review your advertisement material based on our advertisement placement policy and production guidelines. If your advertisement violates the policy, guidelines or any other rules, you may be asked to modify the advertisement.

•The advertisement specifications are as of April 2018. The dimensions, maximum file size and other elements are subject to change.

•We may utilize our advertisement menu to implement research or other activities for the purpose of improving services for users and advertisers.

• Please understand that we will not coordinate advertisements of competitors or placement at the same time.

Submission guidelines

- Advertisement material: See each advertisement menu.
- · Submission due date: See each advertisement menu.

• Submission method: Submit your advertisement material as an attachment file by e-mail to your person in charge. After confirming submission, we will send a receipt e-mail.

• About links: To demonstrate links, create a designated URL at least five days before starting placement.

Advertisement placement policy/precautions

Advertisement placement policy

• If our company finds it inappropriate to place your advertisement, you may be kindly requested not to place it. We ask for your kind understanding.

Precautions

• The rates, number of spaces, inventory and specifications for each advertisement space are subject to change without notice. Please always check these conditions before you apply for our service.

• Please understand in advance that if your advertisement does not reach a guaranteed banner display figure written in this Media Guide during a period, the period will be extended until your advertisement reaches the figure.

• If you change the content of your advertisement, the hours from 10 a.m. to 2 p.m. on the first day of the change and the hours from 11:59 p.m. on the last day of the change to 9:59 a.m. on the next day are regarded as adjustment hours. We are not responsible for problems during the adjustment hours. Please understand in advance.

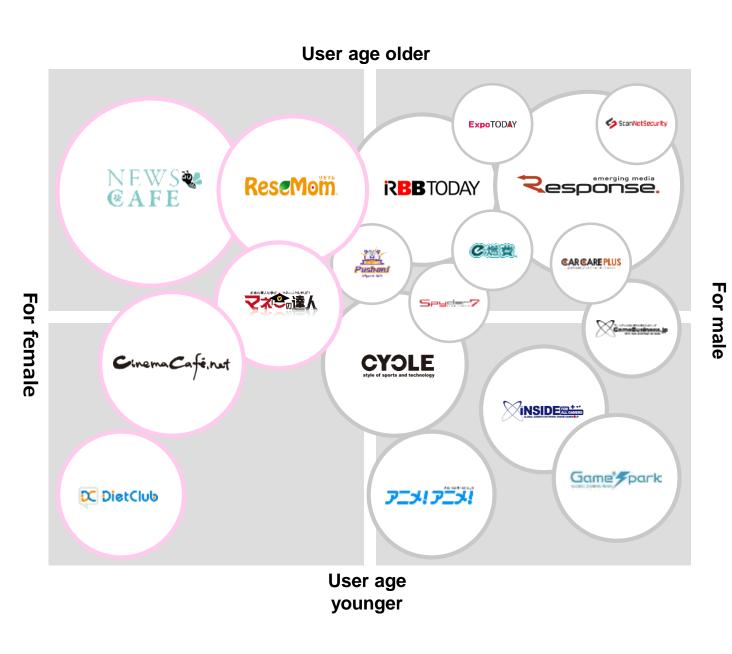

• There are hours for not placing and distributing advertisements due to force majeure such as fire, power blackouts and natural disasters and regular system maintenance. In these cases, please note that our company will be exempted if total hours do not exceed 48 hours in a month or if content is distributed within 24 hours for distribution service.

• The usage purposes for image data used in this Media Guide April-June 2018 and past cases are limited only to explanations and introduction of advertisement products, preparation of proposals and materials for sales expansion. Please also understand that images are just only past cases of other companies. You can not produce similar creative or material.

 \cdot Please note that the rates listed in this Media Guide exclude taxes.
